

Masterword.cl

Who we are

Masterword is a company created in order to satisfy language services such as translation and proof reading in the following languages:

❖ Spanish

❖ English

❖ Portuguese

❖ French

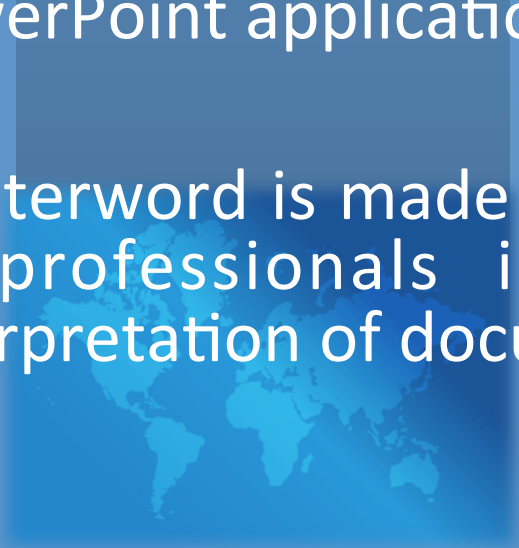

❖ German

❖ Russian

❖ Masterword is characterized by having a wide experience in the translation of scientific and technical documents, commercial and financial reports, among other fields.

❖ We treat your documents in their original format, from Web sites to traditional Word, PDF, Excel and PowerPoint applications.

❖ Masterword is made up of a wide experienced team of professionals in translation, revision and interpretation of documents.
